Founding Student Fees Information
2026-2027

Our founding students are a very special group of students who commence with us as year groups open for new students, or whose parents have enrolled their son or daughter and paid at least one term's fee, securing a future place in the school. The Founding Student status will be limited in number, offer and timescale.

Discounts

The school offers discounts to parents who enrol at least two children at the school. Discounts are also referred to as Sibling Discounts and only apply to tuition fees.

Sibling Discounts are 5% off the applied published tuition rate for the second child and 10% off the applied published tuition rates for the third and subsequent children. For the avoidance of doubt, to be considered for Sibling Discount, both students must be full fee-paying students.

For **Founding Students** only, the sibling discount will be in addition to the Founding Student Annual Fee Discount.

Referral Rewards

To support our community in sharing the Charterhouse Lagos experience, the School is pleased to offer, for a limited period, a Referral Rewards Scheme available exclusively to fully enrolled parents.

1. **Reward Entitlement**

   A sum of ₦2,000,000 (Two Million Naira) shall be credited to the referring parent's student

fee account for each successful referral, being a student who enrols and pays a minimum of one (1) full term's fees.

2. **Application of Reward**

   All referral rewards shall be applied strictly as a credit toward the school fees of the referring parent's child(ren) at Charterhouse Lagos.

   Under no circumstances shall any part of the reward be paid out in cash, transferred, refunded, or otherwise monetised.

3. **No Cap on Referrals**

   There shall be no limit to the number of successful referrals a parent may make under this scheme.

4. **Conditions and Verification**

   The School reserves the right to verify all referrals and to determine, at its sole discretion, whether the conditions for a successful referral have been met before applying any credit.

5. **Non-Transferability**

   Referral rewards are non-transferable and may only be applied to the tuition account of the referring parent's child(ren).

6. **Clawback of Reward**

   Where a referred student withdraws, is withdrawn, or fails to continue enrolment before completing a full academic term (or such minimum period as may be determined by the School), the School reserves the right to reverse, withdraw, or recover the full value of the referral reward previously credited.

   Where the credit has already been utilised, the School may raise an equivalent charge on the referring parent's account, which shall become immediately due and payable.

All participating parents remain subject to the full Terms and Conditions of enrolment, as agreed and executed during the Admissions process.
