With 17 grass sports pitches, 3 full-sized Astroturf pitches, an athletics stadium, a sports centre, 24 tennis courts and a 9-hole golf course, not to mention beautiful lawns and gardens, the campus is one of the best, if not the best, in the country. Aims

Charterhouse aims to equip pupils to lead fulfilled and purposeful lives by providing an all-around education based on Christian values. Teaching and learning is at the heart of what we do, although this does not mean achieving only qualifications and passing examinations. A Charterhouse education should endure long after examination results are published. We value all our pupils as individuals with unique talents and interests and seek to instil:

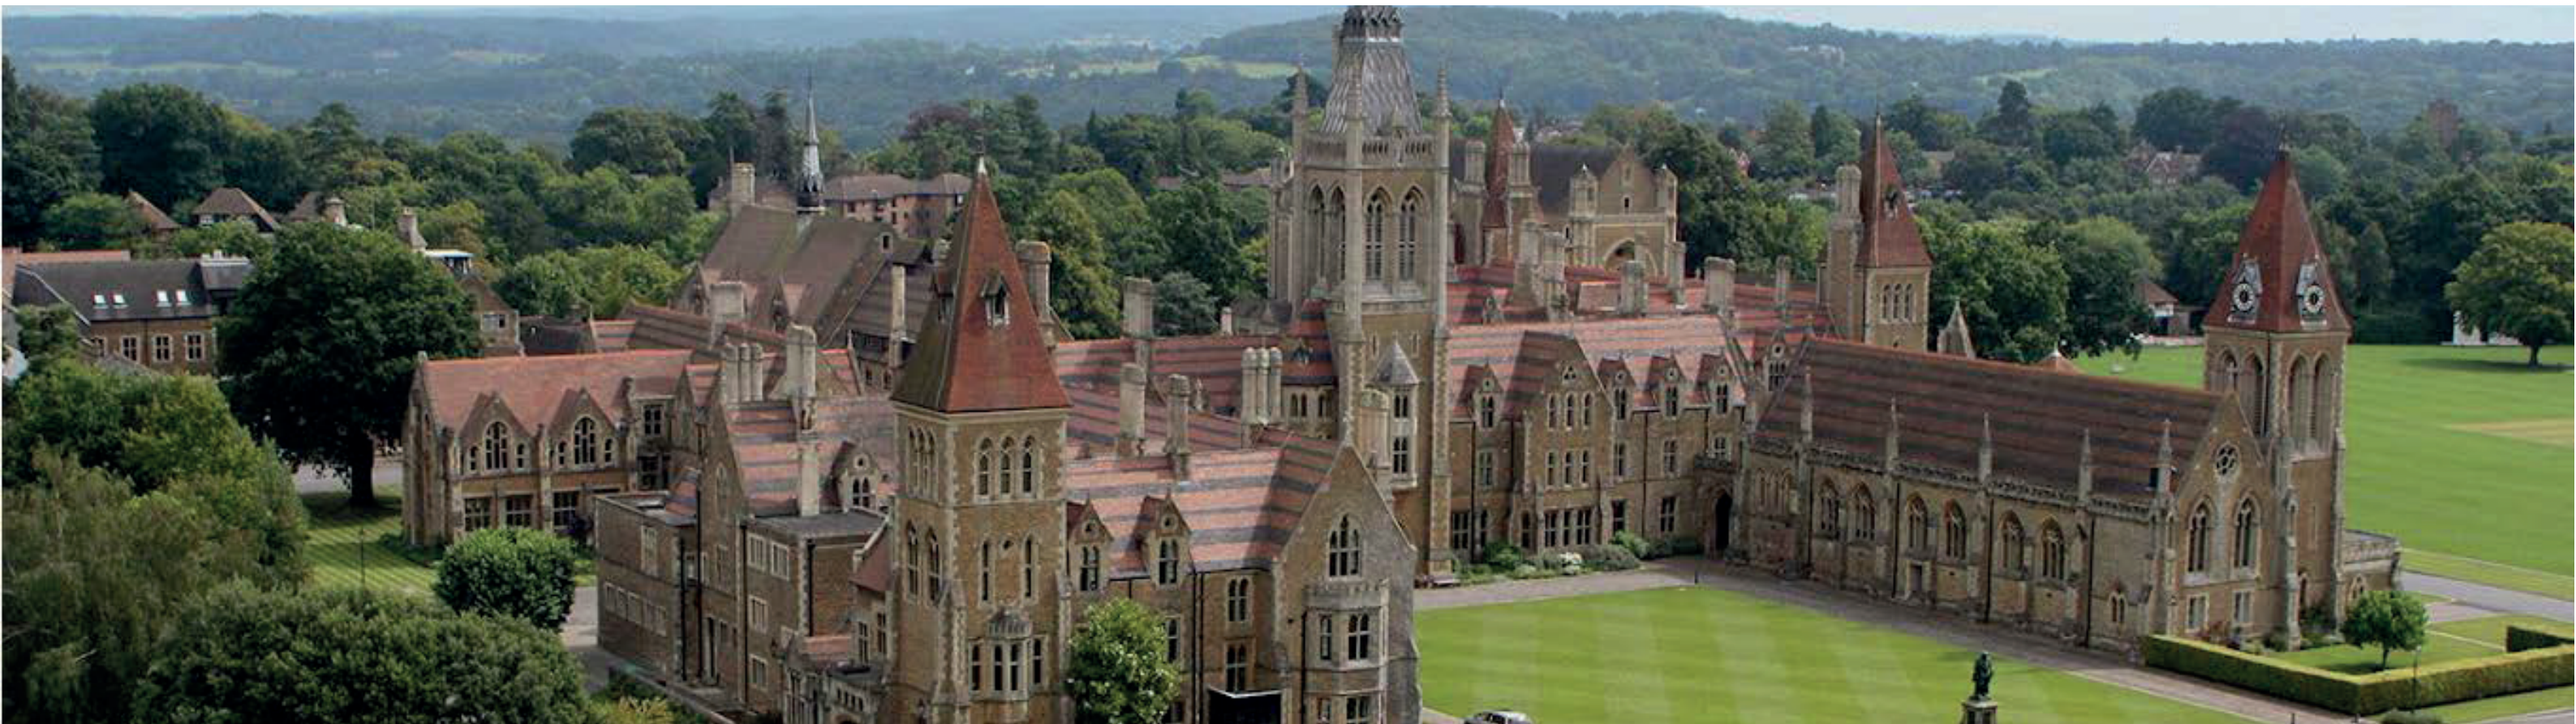

- Academic rigour, intellectual curiosity, and the ability to learn independently.
- The knowledge, skills, and attitudes to succeed in a complex, fast-changing, multicultural society.
- A sense of personal values based on compassion, integrity and sound judgement
- A commitment to the service of others and to society and a readiness to contribute to the common good.
- Spiritual, moral, cultural, and aesthetic awareness which contributes to a balanced and well-informed approach to life.

Governance

A member of the Charterhouse leadership team sits on the Board of Charterhouse Lagos.

In addition, Charterhouse has two representatives on the Charterhouse Lagos Advisory Board. Charterhouse will carry out an annual inspection of Charterhouse Lagos to ensure that we maintain the educational standards and deliver the key values and ethos of a Charterhouse education.

We intend to develop a strong relationship with our mother school in the UK and leverage their experience and heritage as well as share our ideas and practice.

Learning Principles

It is important that our learning and teaching culture is based on evidence and rooted in best international practice, with a particular focus on the United Kingdom's education system. This is expressed through our statement of Learning Principles which guide learning and teaching at the School. We believe that every member of staff is a leader and can make a difference, so it is important that you understand as much as possible about our learning programme.

The Curriculum.

Key Stage 1 and 2: Years 1 - 6

At Charterhouse Lagos, our students build knowledge, skills and understanding through weekly lessons in English, Maths, International Primary Curriculum, 'Values' (PSHE), Art or French, Music, Nigerian and African Studies, Physical Education and STEM. Class Lessons are taught by experienced international Teachers, supported by qualified Nigerian Assistant Teachers. Students benefit from Subject Specialist expertise in the other subjects.

The timetabled curriculum is underpinned by a 'Pastoral Platform' of events, activities and programmes that support every student's personal character development. Weekly Assemblies explore the school's six Values: Excellence, Respect, Integrity, Courtesy, Service and Wellbeing, and all students are members of one of our four School Houses: Amazon, Everest, Nile and Sahara. The School's Calendar also is sprinkled with important occasions of pastoral and cultural importance, including Nigeria Day, Anti-Bullying Week, Christmas Tree Lights, Chinese New Year, Safer Internet Day, Sports Day, Empathy Week, Swimming Gala and Speech Day.

Key Stage 3: Years 7 - 9

At Charterhouse Lagos, we place significant emphasis on developing the whole student through a broad and enriching secondary education experience.
Our curriculum follows a tailored English National Curriculum in Key Stage 3, including Mathematics, English, Science, Humanities and French. This is enhanced with a dynamic blend of STEM subjects, World and African Literature, Physical Education, and Swimming, alongside an innovative Personal, Social, Health, and Education (PSHE) scheme of learning.

In Addition, our Charterhouse CAS programme from Years 7-13—encompassing Creativity, Activity, and Service—will foster sustainable partnerships with our local community to encourage our students to explore their passions, engage in meaningful activities, and contribute positively to their communities, thereby preparing them for global citizenship and lifelong learning.
